# About Us

AASHKA TILES has earned a distinguished reputation for delivering top-notch quality, durability, and unwavering trust since its establishment in 1980. Over the years, we've adapted to the evolving market demands by continuously expanding our product line to ensure both horizontal and vertical growth.

Embracing the power of collaboration, we've forged partnerships with over 14 different companies, setting a standard in our industry. Similar to how honey's sweetness stems from the collective efforts of bees, Aashka Tiles thrives on a collaborative approach to deliver premium products that meet our customers' diverse needs.

With eight tile manufacturing plants under our umbrella, we produce tiles in various sizes and surfaces, including matte, polished, high gloss, carving, sugar, laptop, and more. Additionally, our dedication to excellence extends to ceramics, porcelain tiles, and other specialized products, each crafted in dedicated facilities.

Expanding our offerings to include interior decoration products, we've recently partnered with a new plant to stay ahead of market trends. Furthermore, our commitment to innovation is evident in our involvement with three manufacturing plants dedicated to producing LED mirrors and hardware products.

At AASHKA TILES, we take pride in being a one-stop destination for all your needs, offering a comprehensive range of products and services. Whether you're in Asia, Africa, Europe, North America, South America, or Australia/Oceania, we're equipped to cater to your requirements with efficiency and excellence.

We continuously strive to enhance customer satisfaction, adding new products and forging partnerships with emerging factories. By leveraging our extensive network and optimizing container loads, we ensure timely delivery of high-quality products at competitive rates.
